

In the Community

Colorado Credit Union continues to focus on making a difference in our community through our Community Impact Initiative. Over the past quarter, our staff and members have donated money, time and other resources across the community.

Thank you to our members who donated to Big Brothers Big Sisters of Colorado during our two shred day events. We collected a total of \$1,500 to present to the organization at its annual Golf Classic Event (top left).

Staff also participated in Big Brothers Big Sisters of Colorado's STARS National Conference as a sponsor and workshop facilitator, connecting with teens from across the state on financial planning and career opportunities (right).

Working with the nonprofit group TGTHR, an organization working to end youth homelessness in our community, staff provided financial education workshops and materials at several events throughout the summer (bottom left).

Girl Scout Patch Debut

Colorado Credit Union was thrilled to officially launch the Colorado Credit Union Junior Financial Counselor Girl Scout Patch at the Dream Lab in Denver September 8. This patch is an opportunity for girls across the entire state to develop financial literacy skills and teach those lessons to others while earning a Girl Scout patch.
