We know our members take account security very seriously. At Colorado Credit Union, we are constantly working to provide additional opportunities to help you protect your accounts. Did you know that you can set up notifications via text, email or in the ColoradoCU app as well as block transactions?

Check out the new enhancements in the Card Management section of online banking or the mobile application. Some of the capabilities include:

- Enhancements are available with full functionality in both our mobile app and in online banking.
- Settings made are effective immediately.
- Alerts can be received in app, and/or to the mobile number and/or email on the account.
- Transactions on each card can be set to *block* or *send notification* for various transaction types.
- Separate spending limits can be set for both individual purchases as well as monthly totals.
- Temporarily disable lost or misplaced cards.
- Quickly and easily report your stolen card from mobile or online banking.

If you need assistance accessing your accounts or setting up the enhancements, **please call us at 303.978.2274.**

CCU STAFF IN THE COMMUNITY

After nearly a year without public events, the CCU team is excited to be back out in the community getting to connect with our members. We've enjoyed seeing many of you recently at our Brighton Shred Day, the Ken-Caryl Ranch Flick 'n' Float and the Foothills Concert Series.

Stop by one of the many upcoming events to say hello and grab some CCU swag. Visit ccu.org/events for a complete list of upcoming events.
