WINTER 2025

## Making an Impact in our Community

Our community impact events last fall were a tremendous success, with many staff helping create positive change. From volunteering at **Boys and Girls Clubs** to financial literacy workshops, our efforts were well-received within the community.

### 'Bite of Reality' Financial Literacy Fairs

Colorado Credit Union staff hosted 'Bite of Reality' financial literacy fairs at area high schools throughout the semester. These events offer students a chance to practice real life financial decision-making scenarios to help prepare them to make good financial decisions in the future.

### Boys and Girls Club—Volunteer Day

Our staff volunteered at Boys and Girls Clubs across the city as part of a day of service in October. Staff helped clean the clubs and learned more about the nonprofit's mission and the impact it makes in the lives of area children.

### Girl Scouts Patch

Since launching the Colorado Credit Union Junior Financial Counselor patch program with Girl Scouts of

Colorado this past fall, more than 100 Girl Scouts from across the state have earned their patch. This program not only teaches Girl Scouts the basics of financial literacy, but also requires they teach what they have learned to another person which expands the reach of the program. This program will continue throughout 2025.

## Holiday Spirit

Colorado Credit Union celebrated a number of holidays in the past few months. In October, our staff participated in several community-based Halloween events including the Foothills Park & Recreation's BOO-rific Bash & Splash. We loved seeing all of the happy families in their costumes and were pleased that so many of our members stopped by to say hello.

December was filled with joy and laughter thanks to our festive holiday celebrations. Our Brighton and Littleton branches hosted Santa Claus, with families sharing magical moments and capturing smiles with Santa. Thank you to everyone who attended!

**Thank you** to our staff and members for your generous hearts. With your help, we adopted 100 children through the **Salvation Army Angel Tree** program. We know your kindness created a brighter holiday for many families.

### 27J Family Holiday Adoption

Our Brighton branch partnered with the 27J school district to identify families in need this year. Your contributions made a significant impact on these families in need, ensuring they had the essentials and some holiday cheer. Thank you for your donations!

## Annual Meeting
