CCU NAMED BEST CREDIT UNION TO WORK FOR

AMERICAN BANKER.

**2022 Best Credit Unions
to Work For**

Colorado Credit Union was thrilled to learn that we came in No. 1 on this year's *American Banker*

Best Credit Unions to Work For list. This was the eighth consecutive year that CCU made the list and the second consecutive year we landed in the top overall spot.

The winners were selected through two surveys: one that examined employee satisfaction and covered areas including leadership and planning, and a second survey that evaluated the benefits and policies of each credit union.
