The screenshot shows the 'External transfers' section of the online banking interface. On the left, there is a navigation menu with options like Profile, Security, User alerts, User agreement, and ACCOUNTS. Under ACCOUNTS, there is a section for 'Colorado Credit Union' with an 'External transfers' tab and an 'Add account' button. The main area shows a form for adding an external account. The form includes fields for 'Type' (set to 'Checking'), 'ACCOUNT NUMBER', and 'ROUTING NUMBER'. Below these fields, there is a confirmation message: 'We've sent two small deposits to verify your account. When they arrive in 1-3 business days you'll need to confirm the amounts. By confirming these deposits you acknowledge you have legal access to this account. You have until April 10 to confirm the deposit amounts.' There are two input fields for the deposit amounts, both showing '\$ 0.00'. A 'Confirm' button is highlighted in yellow at the bottom left of the form, and a 'Remove account' button is at the bottom right.

- ✓ Under the "To" and "From" tab, you can select the external account
- ✓ Fill in the required information and select **"Submit"**

External Account Verification

Two micro deposits will be sent to the external account you are trying to connect, the micro deposits can take from 1-3 business days to deposit into the account.

If you are unable to see these micro deposits after the allotted time, please try these troubleshooting resolutions:

- 1. Verify the account number and routing number you are trying to add**
- 2. If you are trying to add a third-party account, such as crypto, please verify with the provider they accept the type of account you are trying to connect.**
